

GS GC135

Portable Scanner Multi-slot Magnetic Charger

GS GC135 is designed with multi-slot and magnetic function, suitable for Generalscan portable series barcode scanners. Use the Generalscan Multi-Slot Charger to experience the higher efficiency of technology.

This multi-slot charger can charge 8 portable barcode scanners at the same time, which can save you a lot of time and cost.

The special magnetic Micro-USB design greatly enhances the performance of the GS GC135. You can easily remove the magnetic Micro-USB head and insert it into the charging interface of the barcode scanner. This can protect the charging interface from damage caused by repeated plugging and unplugging.

Feature

- Up to 8 devices can be charged simultaneously
- Magnetic micro-usb design
- Compatible M100, M500 and other products
- Supports multiple standard power adapters
